50X1-HUM

1. There is a large rolling-stock factory on the west side of the road to Ploesti about three kilometers from the center of Stalin (Brasov). This factory employs about 10,000 workers. Opposite the factory there are 11 blocks of workers' rooms and others are being built. One block, for single men, houses 560 workmen in 280 rooms; quarters for married workers are designed for 150 families.
2. There is another factory two kilometers along the same road from Stalin, about one kilometer westward towards the hills. Nothing is known about it except that it has three tall chimneys.
3. A new factory is being built on the east side of the railway about one kilometer from Stalin towards Ploesti. It covers approximately three acres and will employ approximately 1000 workers.
